Good morning Craig,

Bill Gibbons emailed you a few weeks ago about seeking your help in setting up opportunities for us to brief people in the private sector on what the Crime Commission is doing and ask for their support. I am following up on Bill's email to get your thoughts on some possible dates and times when we could schedule a meeting with a presentation. Attached is a sample draft letter that has been sent by other board members on their stationery to their selected group.

Thanks and I look forward to hearing from you soon!

Craig,

Thank you again for agreeing to be on the Crime Commission board. A big announcement came as a result of action taken at your first board meeting !

As I believe I mentioned to you, we are seeking help from private sector board members to set up opportunities for us to brief people on what we are doing and ask for their help (somewhat similar to what we did at the Chamber but a little briefer). Can you give some thought to how you could help us on that?

I'm asking Linda Russell to follow up with you in a few days.
